NEW SYRIAN CHARGES OF IRAQI ATTACK

By WILTON WYNN

DAMASCUS, Syria (AP)—A new Syrian charge of Iraqi border violation added more fuel today to the burning feud between President Gamal Abdel Nasser of the United Arab Republic and Iraqi Premier Abdel Karim Kassem.

In the third such accusation in a week, a spokesman for the United Arab Republic's 1st Army claimed that 30 Iraqis thrust across Syria's frontier Sunday and attacked two Syrian guards, wounding one.

Nasser predicted uprisings against the Iraqi premier would continue "as long as dictatorship and the heresy of communism continues" in Iraq.

In Baghdad, leftists called on Kassem to arm the people and purge the army and government of traitors. The idea obviously was to get rid of army officers and others sympathetic to Nasser's aim of Arab unity.

Some 50,000 students and workers paraded through the heart of Cairo Sunday in a demonstration against Kassem and Iraqi Communists. The demonstrators, led by Cairo University students, denounced Kassem's regime and pledged support for Nasser's campaign against Reds in the Middle East.

Leaders of Nasser's National Union — the only political party permitted in the U.A.R. — called on Arabs everywhere to help topple Kassem's regime and "check the Communist cancer in the body of the Arab nation."

Eight Members in Family Lose Their Lives in Flames

PHILADELPHIA (AP) — Eight members of a family perished yesterday in a fire that started in the upholstery of a living room chair. All were trapped as they slept on the upper floors of their three-story row home.

Five others escaped by jumping from windows of the three-story row home in a congested area of North Philadelphia.

All the victims were under 21, the five children and three grandchildren of Mr. and Mrs. Cornell Johnson. The Johnsons are negroes.

A teen-age daughter was awakened by smoke and tried to smother the quickly spreading flames with a blanket. She couldn't and screamed for her father before running to a neighbor's home for help.

Johnson, 42, jumped from the second-floor. His wife, Anna, 39, dropped her youngest child, a four-year-old girl, to the arms of a neighbor and jumped, too. She was injured slightly.

Johnson wasn't. He got a ladder and tried desperately to reach those on the upper floors, first from the front of his house, then from the rear. The heat and the flames drove him back.

Dean of County Physicians Passes Away at Age of 93

Resident of the area his entire 93 years and long associated with its professional and civic life, Dr. C. J. Frantz died at his home, 128 Pennsylvania avenue, east, at 10:05 p. m. Saturday.

Christian James Frantz was born in Conewago township May 26, 1865, the son of George and Salome Witz Frantz. Following early education in Warren county public schools, he attended Clarion Normal School and was granted a teaching certificate.

After teaching in county schools for several years, his interests turned to the medical profession and took him to Starling Medical College, Ohio State University, where he was graduated in 1893 with a degree of doctor of medicine.

Returning to his home community, he served the medical profession as general practitioner and surgeon for more than

Governor Calls in Leaders Of Both Parties To Discuss Support for Tax Program

HARRISBURG (AP) — Gov. Lawrence today went into a closed door huddle with Democratic and Republican legislative leaders in an effort to reach agreement on his proposed 3½ per cent sales tax with expanded coverage.

All of the more than a dozen House and Senate leaders of both parties were reluctant to make any comment on the tax situation pending outcome of the parley with the governor.

Some Republican House backing of the Lawrence proposal became a possibility when the GOP Legislative Policy Committee promised after a meeting Sunday night it would not attempt to present solid opposition to the fiscal plan.

Rep. W. Stuart Helm (R—Armstrong) chairman of the GOP Legislative Policy Committee, said his party will leave it up to its individual House members what way they will vote on the proposed tax plan.

Meanwhile, opposition grew to the proposed tax plan which was the keystone of a recommended revenue program adopted by Lawrence on the advice of his non-partisan Tax Study Committee to raise an estimated 400 million dollars in new revenue for the 1959-61 biennium.

Lawrence has said he will oppose a plan to boost the present sales levy to 4 per cent and retain many exemptions now in effect.

Some opposition demanded the full 1 per cent boost from the present 3 per cent in order to avoid spreading the tax to include automobile trade-ins and alcoholic beverages sold across the bar in taverns.

Still other forces object to the sales tax at any rate because of its application to a particular industry or trade.

The administration was left without sufficient votes in its slim 107-102 majority to push the Lawrence package through the House (Turn to Page Ten)

Sensational Trial Opens in Indianapolis

By IRWIN J. MILLER
INDIANAPOLIS (AP) — Connie Nicholas, pale and tearful, went on trial today for the slaying of a wealthy drug executive who spurned her after 15 years for a younger woman.

The gray divorcée arrived with a jail matron a quarter-hour before the trial opened, dabbing her eyes.

She said she had slept only three hours since Friday and reported she was feeling nervous but "still optimistic."

She wore a gray suit. Her hands were in harnesses because of paralysis she has suffered since her near-suicide after the shooting.

All the 60 public seats in the little, dingy courtroom were filled. Forrest Teel, 54, was shot to death last July in his parked Cadillac.

The state contends Mrs. Nicholas, 42, a divorcée, followed Teel and shot him three times with a small revolver after he returned to his car from a late night visit with the younger woman.

The defense claims the shooting was accidental and occurred during a violent struggle after Teel began beating Mrs. Nicholas.

Motorist In Accident Attempts Suicide Later
READING, Pa. (AP) — A few hours after Herbert Mohr's car went over an embankment killing his friend, Mohr came home, went to his room and shot himself in the stomach with a shotgun.

The 31-year-old steelworker from Birdsboro was in critical condition today at St. Joseph's Hospital.

The accident happened Sunday on a rural road. Mohr's passenger, Frank Meiczowski, 35, of nearby Gibraltair, was killed. Meiczowski's son, Dennis, 10, was injured seriously.

Mohr suffered minor leg injuries.

Rockwell New Head of G.O.P. Finance Com.
HARRISBURG (AP) — George I. Bloom, Republican state chairman, today appointed Col. Willard F. Rockwell, Pittsburgh, to head the GOP State Finance Committee.

Rockwell, an industrialist and builder, succeeds Norman T. Hayes, retired Philadelphia financier, in the fund-raising post.

Savage Storm Blamed for Eight Deaths

By THE ASSOCIATED PRESS

A savage winter storm of fierce wind, snow and rain howled across the Midwest during the weekend and swept eastward with undiminished fury.

At least nine deaths were blamed on the whiplash storms.

The late winter storms left thousands of persons stranded for hours. Included were nearly 350 passengers on four Chicago and North Western Railroad trains which got stuck in 12-foot snow drifts in Wisconsin. All of the trains had sufficient fuel to heat the cars and all passengers had food during their enforced layovers, ranging up to 12 hours.

The last of the stalled trains, with 150 passengers aboard, was pulled free late Sunday night, eight hours after it was halted by huge drifts about 12 miles north of Green Bay.

Striking as spring stood waiting in the wings for its seasonal debut on Saturday, the storms brewed tornadoes which killed three persons in Arkansas.

More than a score of persons suffered injuries in the storms. Property damage was heavy.

The massive storm center, rolling out of the Rockies Saturday, dumped heavy snow on Wisconsin, Iowa and Nebraska. The vicious winds battered northern Midwest areas with gusts up to 78 m.p.h. in parts of Michigan.

Fast Passage Is Assured Federal Unemployment Bill

WASHINGTON (AP) — Fast House passage appeared assured today for a bill to continue temporary federal unemployment benefits for some 300,000 jobless workers who would otherwise lose them April 1.

Although falling short of Democratic proposals, the three-months "tapering-off" measure had bipartisan support as about the best that could be passed before the present jobless pay law dies March 31.

To beat the expiration deadline, leaders sent the bill to the floor under procedure limiting debate to 40 minutes and requiring a two-thirds vote for passage. Its passage today would give the Senate two weeks to complete action.

The bill was opposed as inadequate by some northern Democrats from industrial areas still experiencing substantial unemployment. They called for a one-year extension of the existing program.

Robbers Get Rough to Make Holdup "Real"
KANSAS CITY, Mo. (AP) — Twenty dinner guests thought it was a practical joke when three masked gunmen robbed them at a home in suburban Mission Hills, Kan.

The bandits escaped with an unknown amount of money and jewelry during a snowstorm Saturday night.

"We thought it was a joke because we have some practical jokers in the crowd," said W. H. Hoffstot, a lawyer and one of the guests. "The robbers got perturbed because nobody paid them any attention."

The bandits finally got full attention by cracking Dr. J. A. Gorwood on the head with a gun.

That's when "the joke became real to me," Hoffstot said.

Former Senator Haluska To Run For Court Post
EBENSBURG, Pa. (AP)—John J. Haluska, former state senator and a principal in the controversial Hoxsey Cancer Clinic at Portage, plans to seek election to the Cambria County Common Pleas Court.

Haluska, who is not an attorney, said he will seek nominations on both Republican and Democratic ballots in the May primary elections. He served in the state legislature as a Democrat.

The Hoxsey Cancer Clinic recently was closed and the building sold after government orders prevented the clinic from further operations.

Water Street Merchant Fails Yegg

Quick use of a 38-calibre pistol triggered by "Bill" Yeane, owner and proprietor of a small confectionery store located on the corner of Fifth and Water streets, routed a would-be armed robber shortly after midnight Saturday. Yeane is pictured by Times-Mirror photographer "Sparky" Saylor in a pose typical of his usual place in the store. The store-owner explained that he usually stands behind the cash register, with the gun readily available as pictured. During Saturday's attempted hold-up, Mrs. Yeane was back of the register when the bandit entered. Noting the man's obvious intentions immediately, Mrs. Yeane said—"Here he is Bill, let him have it!" Yeane, from the rear of the establishment, did just that. The first bullet went wild into the ceiling, but was sufficient to make the masked man take to his heels. Yeane followed, fired again, but missed. See other picture inside page.

Communists Show Gains in French Election Results
By GEORGE MCARTHUR
PARIS (AP) — Returns from the final round in France's two-stage municipal elections showed today that the Communists held their own or forged ahead in most of the key town councils.

Voters in 17,760 communities turned out Sunday to finish the job they began a week ago under a new electoral system tailored to trim communism's grass roots hold on the electorate.

Despite a week of maneuvering alliances, the anti-Communists failed to cut deep into the Red representation.

A check of the largely pro-Communist working class suburbs of Paris indicated the Reds had recaptured 26 of the 28 local councils they controlled after the last municipal elections in 1953. They lost one town hall and returns from the 28th were not yet available.

The Reds also picked up at least four seats in the council of the Seine Department, which embraces the entire Paris region. The Communists now will have 59 of the 150 members.

In France's 13 largest cities elections were completed last Saturday. The Reds won a boost in total number of seats as well as the increased vote percentage they won. The Communists captured 160 seats as compared with 155 in the 1953 municipal elections.

ONE DEAD, FIVE INJURED
WINDBER, Pa. (AP)—Two autos collided Saturday on Route 56 just west of this Somerset County town, killing Mrs. Agnes Samuel, 68, of Windber, and injuring five persons.

Hospitalized were Mrs. Agnes Phillips, 38, also of Windber, who was driving the car in which Mrs. Samuel was riding; Mrs. Phillips' three children and the other operator, Wilbur Ressler of Elton, Cambria County.

ERIE FATALITY
ERIE, Pa. (AP)—An auto failed to round a curve and hit a tree about four miles south of Fairview in Erie County Saturday, killing Mrs. Carl Metzger, 56, of Erie. Her husband, who was driving, was injured.

QUICKIES By Ken Reynolds
Mrs. Yeane's call for police brought two cruisers to the scene almost immediately and two other officers, alerted by the street emergency signal, commandeered a passing car and joined the other four patrolmen in a fruitless search of the entire district.

The Yeaneys were able to give a description of the man's height and weight, but his face and head were covered by a coarse knitted material, resembling a sweater sleeve or large sock, with holes cut for the nose and eyes.

Because of the recent rash of robberies, Yeane had recently purchased the 38 revolver which he carried in a belt holster.

Mr. and Mrs. Yeane both expressed appreciation for the fast response by police.

Investigating officers were today running down every possible lead to the identity of the bandit.

Living Costs in State Reported at New All-Time High
HARRISBURG (AP)—The State Labor and Industry Department reports that living costs reached a new all-time high in Pennsylvania as of Jan. 15, 1959.

The department report Sunday said that, contrary to what might be expected in a period of recession, the Pennsylvania index rose 2 per cent above the level of Jan. 15, 1958 compared with a 1.2 per cent increase in the consumer price index for the nation as a whole.

The Commonwealth's cost-of-living index stood at a record 123.8 per cent of the 1947-49 base period. The index rose .9 per cent, the department said, between October 1958 and January 1959. During the quarter, the department report said, lower prices for food, apparel and house furnishings were offset by price increases for all other major categories.

ALL MAJOR HOOKUPS TO CARRY TALK

WASHINGTON (AP)—President Eisenhower dropped practically all other business today to give full attention to preparing his address to the nation on the Berlin crisis.

Eisenhower had no appointments except a brief morning meeting with the new ambassador from Cuba, Dr. Ernesto Dihigo.

White House Press Secretary James C. Hagerty said the President was spending the rest of the day working with his chief speech writer, Dr. Malcolm Moos, and other staff members on tonight's TV and radio address.

Eisenhower discussed the nature of the talk with Secretary of State Dulles last Friday at Walter Reed Army Hospital, where the secretary is undergoing treatment for a recurrence of cancer.

His half-hour address from the White House will be carried by all the major radio and television networks, starting at 9:30 p.m. EST.

Advance indications were that Eisenhower would detail his charges that the Soviets, in seeking to force Allied military forces out of the onetime German capital, are trying to break solemn agreements entered into during and after World War II concerning the four-power status of the city.

He may emphasize this by showing his television audience some of the documents setting forth the occupation agreements.

Two Top Generals Say U.S. Equipped For Berlin Crisis

WASHINGTON (AP)—Two top generals have assured Congress the United States has the military muscle to handle any developments in the Berlin crisis. They advised against giving an inch.

The assurances came from Gen. Maxwell D. Taylor, Army chief of staff, and Gen. Thomas D. White, Air Force chief of staff, in closed-door sessions of the Senate Preparedness subcommittee. Censored versions of their testimony were released over the weekend.

Senate Democratic Leader Lyndon B. Johnson of Texas said after the hearings that the generals had indicated the United States has adequate plans and strength to support and execute the nation's foreign policy. Johnson made it clear he was speaking of the present.

White told the senators he feels U.S. military forces in Europe are adequate to deal with the Berlin crisis. He said the sending of new military units to Europe now would have no influence to speak of on the outcome of the Berlin situation "because the 7th Army is one of the best trained and best equipped units in the world."

The general said nothing drastic can be done now to strengthen the Air Force's hand in the situation, adding that in general it is to all intents mobilized to within a matter of hours.

No Decision in Case of Boy Who Admits Killing Mother
PITTSBURGH (AP)—What action should be taken against a 10-year-old boy who says he killed his widowed mother with a hatchet when he was eight?

That ticklish question may be decided this week in the case of Charles John Zubryd, an honor pupil.

Dist. Atty. Edward Boyle said Charles confessed Saturday that he slew his mother in November 1956 because she was going to whip him with a belt.

Boyle said he is convinced the boy is telling the truth and that the death of 41-year-old Mrs. Helen Zubryd in her nearby Sewickley Twp. home finally has been solved.

Charles' age is, of course, a major factor. Technically, he could be charged with murder under a state-law which holds children of seven responsible in such cases.

Indications are, however, that he will never face a jury.

Boyle said he intends to confer with Judge Gustav L. Schramm of Juvenile Court. Charles is being held by juvenile authorities.

Charles originally told police he discovered his mother's body after he returned from a neighbor's home.

Boyle said the boy was unable to recall why his mother was going to punish him.

DROPPED FROM ROLLS
Names of 2,004 Venango county residents, all failing to vote the last two years, have been dropped from registration rolls, a report from Franklin says. Republicans lost 1,241. Democrats 604, and 49 from other parties were dropped. Many have died or moved from Venango County.
1958 DEER KILL
According to an Associated Press dispatch from Harrisburg the State Game Commission reports legal kills of deer were 8,809 higher during 1958 than the preceding year. The figure, based on estimates by field officers, included altered and antlerless deer. The kill of bears was much higher, 439 in 1958 compared to 294 in 1957, the commission said. Kills on most small game were lower. The only species of small game where increased kills were reported were ruffed grouse, woodcocks, rails and doves.

JC's Report on Review of Tax Reform Petitions

A preliminary review of the Tax Reform petitions turned in by Jaycees indicates that the goal of 3500 signatures has been surpassed, it was announced by Gordon Drum, Jaycee Vice-President today.
In cooperation with a National Jaycee policy, the local Junior Chamber has been circulating petitions for the past several weeks urging a complete revision and adjustment of the existing tax structure.
The Jaycees feel, Drum stated, that the present tax structure acts as a damper on economic expansion and growth. The civic organization believes that a reduction in taxes, particularly the income tax is essential if the nation is to achieve its economical potential.
The Warren petitions will be added to those from Jaycee chapters all over the country and will be sent to legislators in Washington.
In surpassing its goal of 3500 signatures on the petitions, the local chapter qualifies to compete for a trip to Washington. The local Jaycees who secured the most signatures locally may qualify for this all-expense trip. Drum stated that the local winner will be announced as soon as the Committee has an opportunity to review all the petitions handed in by the members.
He also asked that any other Jaycees having petitions send them to Box 147 immediately.

COUNTY EXTENSION OFFICE NEWS

CUT OUT CANKERS ON FRUIT TREES

Cut out hold-over fire blight cankers on apple and pear trees in early March, advises County Agent Bernie Wingert. This will remove the sources of spring infection of fire blight, which spreads from active cankers to the blossoms and twigs during the blossom period.
Look for cankers in trees where blighted blossoms and twigs have been observed during the past few years. Cankers are most likely to be found on pears and the more susceptible varieties of apples, like Transparent, Stark, Wagner, and Spitzenberg. It also attacks a number of ornamental shrubs such as Cotoneaster and Japanese Flowering Quince. Cankers generally occur at the base of blighted blossom spurs and water sprouts. On vigorous growing twigs, blight may survive on twigs over one-quarter to one-half inch in diameter. Cut out discolored reddish brown blight wood. To aid in healing, elongate and point both ends of the wounds. Remove branches that are half girdled by blight. Small cankers removed during the dormant period do not need antiseptic wash.

From the beginning of his term as president in 1829, Andrew Jackson tried to further the cause of democracy. He removed nearly all public officeholders and appointed Democrats to their posts. Unfortunately, often the only qualification of these Democrats was that they had helped elect him. This procedure started what has since been called the "spoils system" in politics. The phrase was coined by Sen. William L. Marcy in 1832 in a Senate speech.

QUESTIONS AND ANSWERS
Q—I am a Korea veteran. with a disability I believe is traceable to my war service. Is there a deadline for making application to the VA for disability compensation?
A—There is no deadline. You may apply at any time. However, if you apply within one year from your discharge, payments may be back-dated to your first day as a civilian. Otherwise, payments can become effective only as of the date you apply.
Q—I think a lot of veterans aren't clear in their minds about the terms disability "compensation" and disability "pension," as used by the VA. Would you explain?
A—Compensation is a payment made to a veteran whose disability is connected to his military service. Pension is paid to a veteran for a disability not connected with his war service, provided he meets income requirements.
Q—My permanent GI insurance policy has lapsed because I allowed the grace period to go by without paying. What must I do to reinstate my policy?
A—GI permanent plan insurance may be reinstated at any time by payments of all back premiums, plus interest. You must also meet VA's health requirements.
Q—My father took sick more than a year ago and I left school, where I was studying under the GI Bill, to take a job. I understand now that I can continue my schooling. What do I have to do?
A—Get an application from your nearest VA office. Fill it out completely and return it. If you are eligible, VA will send you a certification authorizing you to return to school.

RADIO and TV

By CHARLES MERCER
NEW YORK (AP)—It would be a favor to a gentle fellow named Bob Keeshan if you would fail to explain to the youngest members of the household that a gentle television character named Captain Kangaroo is also Keeshan.
"Absolutely no good comes of it," says Keeshan. "Either the children are disappointed that Captain Kangaroo is not actually Captain Kangaroo or else they think their parents are lying. It's like learning that there is no Santa Claus."
Today "Captain Kangaroo" offered its 1,001st program on CBS-TV (at the new hour of 8:15 a. m. EST). In an age when television programming has largely decided to ignore the youngest children, it remains the only children's show appearing six days a week on any of the networks.
This program is a hardy plant thriving among the sagebrush and exotic orchids of today's "adult" television entertainment. It has garnered awards and high praise from educators and parents — to say nothing of the children themselves.
As Keeshan quickly points out, the program's longevity is thanks to the enthusiasm of CBS-TV and many of its affiliated stations. For the sad truth is that "Captain Kangaroo" loses money. Recently a CBS spokesman said the network loses more than one million dollars a year on the show.
Happily, however, there is every indication that "Captain Kangaroo" will continue to be with us and the children for a long time to come. The problem in children's TV programming these days is that the sponsor dollars have switched to a so-called mature audience in an age of rapidly

rising TV production costs.
Pressed to analyze the character of Captain Kangaroo, Keeshan, father of three preschool age children said:
"Captain Kangaroo treats children as intelligent human beings and never talks down to them. He is not afraid to ask them to think. And he believes that they have good taste. He likes people in general and children in particular."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.
In case after case, while gently relieving pain, actual reduction (shrinkage) took place.
Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"
The secret is a new healing substance (Bio-Dyne) — discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H. At your druggist. Money back guarantee.

DR. CHRISTIAN J. FRANTZ

The community notes with deep, sincere sorrow the passing over the weekend of Dr. Christian Frantz, 93, after a lingering illness due to the infirmities of old age.

For over 60 years Dr. Frantz, dean of the Warren County Medical Society, had been engaged in his profession throughout the area, as well as playing an influential role in other aspects of the civic and religious life of the community where he was born May 24, 1865.

Being a self-made man his education was acquired with difficulty, in county schools, the Youngville High School where he graduated in 1886 and Clarion Normal School where he received a certificate to teach. After following the teaching profession for five years he entered Stirling Medical College, now the University of Ohio, where he graduated with the degree of Doctor of Medicine in 1893, the same year he started the practice of medicine and surgery in Warren.

Since that time, until he retired a few years ago, he devoted himself without interruption to his professional responsibilities, down through the "horse and buggy days", as a means of transportation, later the bicycle, and finally the automobile. It is said of him that he took no credit for never having used tobacco or intoxicating beverages.

All who knew him, either as patient, friend, business associate or casual acquaintance, will ascribe to his own explanation for his accomplishments which he described as follows: "Work, hard work, perseverance and an appreciation of righteousness."

Mr. and Mrs. Bill Yeane, proprietors of a confectionery store at 500 Water street, are receiving the commendation of citizens generally today for the manner in which they frustrated a holdup man late Saturday night when Mr. Yeane pulled a gun from his pocket and fired at the intruder, who fled without giving the merchant and his equally heroic wife an argument. The community owes a debt of gratitude to Mr. and Mrs. Yeane, who join the Epstein Brothers, victims of a similar episode several weeks ago, for their contributions in helping to discourage would-be yeggs who seem to have the idea that local establishments are easy prey for chicken-hearted desperadoes.

According to all reports the Army stands on its existing orders for 49-star flags, announcing that new instructions will be issued later for the 50-star flags to provide Hawaii's addition to the United States...

WORLD TODAY

WASHINGTON (AP)—Out of the intense soul searching forced on this country by the Berlin crisis, have come self-confident revelations about the present and deeply troubling questions about the future.

These revelations—to give a total picture—have had to be fitted together from various statements by President Eisenhower and his top military advisers.

They might prove erroneous in case of war—since the Soviets then would have to be heard from—but here they are:

1. Eisenhower himself last week said we certainly won't fight a land war with the Soviets. They outnumber us on the ground. "Why in the world would we dream of fighting a ground war?" he asked. "You have got to have other means."

2. Earlier this month Secretary of Defense Neil H. McElroy said we have "offensive superiority over the Soviets at this time."

3. Since we could not win on land but have offensive superiority then the only way we could fight a war is with planes using nuclear bombs.

Eisenhower has not ruled out nuclear weapons. McElroy has emphasized American dependence on its bombers.

But Democratic leaders—even though seeming to accept the idea of American superiority at present—question our ability to stay ahead.

They question Eisenhower's wisdom in not putting more money and effort into defense—looking years ahead—since the Soviets are pushing missile development and missiles may make bombers obsolete.

This is the troubling question implicit in their criticism. Even though the Soviets may be able to start all-out war now

"Easy Now --- You've Got Till July, 1960, To Get There"

Here and There

As usual the blarney will be as thick as the shamrocks when the Irish honor St. Patrick tomorrow, March 17. The original "blarney", however, was an Irish chieftain who proved that you can still win even if you lose. When the castle of Blarney was besieged by the English, the lord of the manor concluded an armistice with the English commander. According to the research department of The World Book Encyclopedia, he promised to surrender the old homestead to an English garrison in Cork on a certain date. The Englishman waited politely for the terms of the armistice to be fulfilled... and waited. The Lord of Blarney held him off with promises and flattery until the commander became the laughingstock of the court of England. And the name "Blarney" ironically took its place in the "English" language, as a synonym for sweet talk. And while we're on the subject of St. Patrick, we learn from the same source of information that "he found Ireland all heathen and left it all Christian" founding more than 300 churches and baptizing more than 120,000 persons. And finally, "there are more people of Irish descent in the United States than there are in Ireland, with New York City claiming the largest Irish population of any city in the world."

And finally, here's an item that appears under the heading "The New St. Joseph's Church." We understand that work will commence toward the completion of the new St. Joseph's church being erected in the western part of the borough immediately after the weather will permit. This church building, on the exterior appearing more than 300 churches and baptizing more than 120,000 persons. And finally, "there are more people of Irish descent in the United States than there are in Ireland, with New York City claiming the largest Irish population of any city in the world."

Speaking of St. Patrick's Day, we reprint from the Warren Ledger of March 21, 1879, the following item which appeared under the heading, "St. Patrick's Day in Warren—St. Patrick's Day was not celebrated in this place by any society as formally on account that there are no societies to celebrate. What was done in one of our local churches is told below by one who was there. Mr. Editor: A very interesting and instructive lecture on the life and character of St. Patrick was delivered by Father Brody, pastor of the Catholic church of

Daily Lenten Meditations

From the Upper Room

Read Luke 22:14-20.
This do in remembrance of me (Luke 22:19.)
On the day before the Christmas holidays, children gathered around their teachers' desks. They presented her with gifts, for which she showed due appreciation.

After they had all left the room, one little girl returned. From her desk she took a stuffed toy and handed it to the teacher. "It's for you," the child said; "I couldn't buy you anything." It was undoubtedly the child's one cherished possession, and the teacher hesitated to accept it.

For years after that, at Christmas time, the teacher set the stuffed toy on her mantle in remembrance of the little girl who had given so much.

During this Easter season our thoughts go back to Jesus and His disciples in the upper room. He knew He would be leaving them soon. He wanted to give them something in remembrance. His voice must have been full of emotion as He handed them the bread and the cup, and said, "This is my body which is given for you; this do in remembrance of me... This cup is the new testament in my blood, which is shed for you."

PRAYER

O Lord, Thou hast given Thy life for us. Through Thy body, broken for us, and Thy blood, shed for our redemption, we would always keep Thee in remembrance. Teach us to pray, as Thou hast taught Thy disciples, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY

By the way I live today I will show that I remember Christ, who gave His life for me.—Beniah Buntin (St. Louis)

NEW YORK (AP)—Stock price averages keep on climbing to new heights to the fascination of most and the amazement of many.

Among the reasons offered there is one that is quite tangible—corporate profits have been climbing, too. And many company executives are predicting still better days ahead.

This is something that Wall Street understands even better than it does such a psychological reason as the wide belief that continuing inflation is now written into the American economy, or a technical reason as that growing investment and pension funds have more money to put to work.

The upward swing in profits was evident in the final months of 1958, when they advanced sharply from the summer months. The profit again was steeper than that in industrial production. It contrasted sharply with unemployment, which has stayed stubbornly high.

That the profit trend is carrying over into the first quarter of 1959 is shown in the first reports by corporations whose fiscal year ends before the calendar year, and whose 1959 first quarter is now a matter of record.

Some 28 of these have reported on earnings so far, and 21 of them show gains over the same three months of the previous year. For most of them, true, the 1959 results are weighted by comparison with a very bleak period a year ago.

REAL TRANQUILITY

We hear little nowadays about the strength of character of our forefathers drilled into their children. In days gone by a boy grew up with the understanding that he could get someplace through hard work rather than finding short cuts.

Promotion was considered on performance and talent. Parents implanted in their children the desire for sound knowledge and a yearning for excellence. The sense of personal responsibility was as basic as the love for our fellow man.

Human nature has not changed much throughout the ages. Primitive man had the same basic desires and emotional feelings as today's humans. There were the same basic problems to solve to function satisfactorily in the world that existed eons ago.

If we need tranquilizers early man probably did too. He was concerned with wild animals, diseases, foraging for food, and finding shelter. Life is easier now but many of us are bothered by the unpleasant side effects of our modern tempo of life. The cave man got along and we might be farther ahead if we tried to do the same.

A major difficulty is that so few of us know what tranquility is really is. It is not Utopia, economic security, or the ability to sit quietly like Ferdinand under the cork tree. It is not obtained with money, pills, or early retirement.

Tranquility is the ability to live normally with everyday tensions, anxieties, depressions, and dissatisfactions. The tranquil person has learned to roll with the punches; he expects jolts and is likely to take them in his stride. He has learned to control his feelings of insecurity and wants to solve rather than avoid problems.

He knows he will go thru periods when he's angry, tired, unhappy, or blue. Because of his flexibility he has learned to live with anxieties and adjust to adversities. Parents of young children should give character

building serious consideration in their moldings of our future leaders.

FREQUENT FURUNCLES
Mrs. W. writes: A young man of 20, who observes good personal hygiene, keeps on getting furuncles of his face, hands, legs, thighs, and back. He does not have diabetes. Treatment helps each infection but why does he keep on getting these things?

REPLY
We do not know why some individuals develop crops of boils except that they have little or no resistance to the causative staphylococci.

PAINLESS ARTHRITIS
H. B. writes: My friend claims the doctor said she had arthritis of the spine, even though she has no pain. Is this possible?

REPLY
Yes. Many middle-aged and older people have X-ray evidence of extensive arthritis of the spine, without an iota of distress.

TONGUE-TIED BABY
Mrs. L. writes: Our doctor wants to cut our infant's tongue-tie but Spock's book says this should not be done. What is your opinion?

REPLY
The majority do not require surgery. In rare instances the frenum is so short and fibrous it must be nicked to allow the child to suck and, later, to talk.

PSORIASIS AND FOOD
D. M. writes: Can psoriasis be cured or at least helped by diet?

REPLY
Some individuals have been helped with a diet low in fats but the results are so inconsistent the plan has not been widely accepted. Send a stamped, self-addressed envelope for our leaflet on psoriasis.

★ EDSON IN WASHINGTON ★
C.D. Chief's Words Haunt
Congressmen Eyeing Berlin

By PETER EDSON
NEA Washington Correspondent

WASHINGTON (NEA)—New looks are now being taken at how well the U.S. civilian population is prepared for attacks by Russian missiles. This action is the result of Defense Secretary Neil McElroy's statement that any shooting over the Berlin crisis will lead to an all-out nuclear war.

The easy answer is that few people give a hoot about civil defense or do anything about it.

It is admitted, however, that if a nuclear attack should hit the United States by accident or on purpose, there would be great wails because the government or somebody hadn't prepared the people for the blow.

Freshman Sen. Stephen M. Young (D-Ohio) recently grabbed some big headlines by a speech in which he said that "over the years there has been a tremendous, unnecessary spending for civil defense... The facts show the futility, in fact the stupidity" of spending 500 million dollars for our civil defense program over the past nine years.

DEFENSE SECRETARY McElroy's new appraisal on the seriousness of the Berlin situation may throw a different light on this difference.

In the apparent belief that the Berlin crisis can be settled without bloodshed, the Eisenhower administration is doing nothing to initiate new civil defense crash programs.

The administration is, however, going ahead with earlier plans to nearly double the civil defense effort next year. These plans were made before the Berlin crisis became acute. They are covered in the 1960 budget.

Ex-Gov. Leo A. Hoegh (R-Iowa) now head of the Office of Civil Defense and Mobilization has just announced a series of five civil defense tests for this summer. These tests were also planned before the Berlin May 27 date got hot.

THE FIRST "OPERATION ALERT" April 17-18 will be for local communities to test their own take-over and recovery plans. The second phase, not involving the public, will enable local civil defense staffs to test their disaster operations on May 8-9, state governments June 4-5 and the eight regional, federal OGD/M organizations July 8-10.

Dates for a third phase "Operation Alert" involving relocation of federal government agencies will be set later.

In the near future Governor Hoegh will have to appear before congressional appropriations committees to defend his requests for over 86 million dollars for next year's OGD/M operations. All of the increase over this year's appropriations will go for strengthening civil defense at state and local levels.

Up until last August, U.S. civil defense was the sole responsibility of state and local governments. Then Congress changed the law to make it a joint federal-state-local government responsibility. These are the main new items:

TO MATCH STATE and local government personnel and administrative civil defense costs, 12 million dollars.

To match state and local funds for civil defense warning, communication and other equipment, 13 million.

To place Geiger counters, dosimeters and chargers in schools and colleges for training, 8 1/2 million.

To develop the National Shelter Policy family protection plan approved by Congress last May, \$11,270,000.

Governor Hoegh asked Congress for money to support these programs last August, but was turned down. The question now is whether he will be turned down again, in the fall, in Berlin.

SHEFFIELD WSCS LUNCHEON-MEETING

SHEFFIELD—Opening their March meeting with a one o'clock luncheon in First Methodist church, 20 members of WSCS were in attendance. Tables were decorated with shamrocks, candles and a green centerpiece. On the luncheon committee were Mrs. Huber, Mrs. Mort Camp, Mrs. Fred Carlson, and Retta Pinney.

Mrs. Donald Huber presided at the meeting and announced three important dates in April and May: Jamestown conference will be held in Kane Methodist church April 15; the annual WSCS Tea at Chautauque will be April 17; Erie Conference sessions at Grace church in Warren May 13-14. The regular April meeting of the local unit will have Churchwomen of Bethany Lutheran church as guests.

A new fund was started to help in care of Korean war orphans, with Mrs. Wade Cochran as chairman. Mrs. Harry Mikel reported on tablecloths purchased for the church; the committee to turn its efforts now to get dishes and silverware for the dining room. Devotions were led by Retta Pinney; the program chairman, Mrs. Maude Chamberlain, used for her topic "Wanting Christ", with Mrs. C. H. Whitaker and Mrs. Monroe Blodgett taking part.

ERIE JAZZ CONCERT

Erie Jazz Society, a non-profit organization dedicated to appreciation of American music, will sponsor its second concert on Sunday, April 5, in the new and modern Memorial High School in Erie. Profits from the two sessions at 7:00 and 9:15 p. m. will be devoted entirely to the group's Scholarship Fund.

Musical headliner of the evening will be the sensational high-note trumpet star of the Stan Kenton Orchestra, Maynard Ferguson, who has been a highly regarded member of the more musician Kenton bands and recently went on his own. Future engagements center around the Count Basie Band, for early summer, and a Teddy Wilson swing session April 22. Tickets are available from Pete Popke, Warren member of the society.

FLORIDA GATHERING OF LOCAL INTEREST

The St. Petersburg Chapter, Spinster Class of First Presbyterian church of Warren, held a pleasant gathering Monday, March 10, at the home of Mrs. Porter McNutt. A lovely luncheon was served to the following members:

Mrs. Elmer James, Mrs. C. P. DeLong, Miss Martha Swick, and Mrs. Harold Warren. Present also were Mrs. DeLong's daughter, Mrs. Pratt, and Miss Swick's niece, Mrs. Elmer Adcock.

A report on the membership drive will be among important business to come before Starbrick Fire Auxiliary at its meeting at 8:00 p. m. Tuesday in the fire hall, and a good turnout is asked.

Holy Week Speaker

The Rev. Kenneth O. Eaton, native of Newton, Mass., but now associate minister of First Congregational church in Columbus, O., will spend most of next week in Warren as guest speaker for the noonday community Holy Week services, Monday through Thursday. Sponsored by Warren County Ministerial Association, these periods of midday worship will be held from 12:10 to 12:50 daily in First Baptist church, 208 Market street.

Son of a Baptist minister, Mr. Eaton spent his youth in Canada and had his early schooling there. After graduating from Acadia University in Wolfville, Nova Scotia, where he received his bachelor of arts degree in 1937, he continued his studies at Union Theological Seminary in New York City, 1937-38, and received his bachelor of divinity degree from Andover Newton Theological School in Newton Center, Mass. in 1940.

Since then, he has held Congregational pastorates in Boxford and Springfield, Mass., serving as assistant at Faith Church in the latter place in 1943-45; at North Church in Middletown, N. Y., until 1951; South Church in St. Johnsbury, Vt., until 1956; and going to his present post as assistant to Dr.

REV. K. O. EATON

Boynton Merrill in the summer of 1956.

He has also found time to author a book, "Men on Their Knees", published by Abington Press in 1956 and described as a devotional study of seven New Testament prayers and prayers and their significance for today.

Mr. Eaton was married in 1940 to the former Evelyn May Bowen and they have two children, David Ross and Donald Dwight, 15 and 11 years old.

LUTHER LEAGUE TO SHOW FILM

The Luther League of St. Paul's Lutheran church will sponsor the showing of the film, "I Beheld His Glory", at 7:30 p. m. Wednesday. It will be a full-length feature in color, and is the story of the last days of Jesus as told by Cornelius, the Roman centurion, who heard from his friend, Thomas, about the events concerning: The Triumphal Entry, The

Last Supper, Gethsemane, The Trial, Crucifixion and Resurrection. Also what he himself had seen and how he came to believe in Jesus. A free will offering will be received, and any profit realized will be used to assist the Leaguers in going to the national Augustana Luther League convention to be held in San Antonio, Texas, right after Christmas. The public is cordially invited.

All-County Band Festival Tuesday

The program to be presented by the Warren County High School Festival Band at Eisenhower High School at 8:00 p. m. Tuesday has been announced.

There will be 100 band students from Youngsville, Sheffield, Tidoute and Eisenhower High Schools participating in the festival under the guest direction of Paul McCandless, director of bands at Meadville High School, and selections will be as follows:

The Star Spangled Banner; The Traveler Overture, Buchtel; Irish Folk Suite, Davis; Invercargill March, Lithgow; Come, Blessed Peace, Bach; Kin Overture, Frank Kiser; Design for Autumn, Dedrick.

Band Boosters March, Johnson; Americans We, Fillmore; My Fair Lady Selection, Lowe; Three Scenes, Walters; Harlem Nocturne, Hagen; Beguine Festival, Oser; Field of Color, Bowles.

SOCIETY

WSCS MEETING

The March meeting of WSCS of First Methodist church will be held at 8:00 p. m. Thursday in Dunham Parlors. Mrs. M. C. Kay will lead devotions and Miss Evelyn Curtis, director of religious education, will present the program, "Christian Offensive for World Peace". Hostesses will be members of Robert Strawbridge Circle, with Mrs. M. L. Crump as chairman.

CLARENDON MEETING

Clarendon Borough Teacher-Parent Group will hold its March meeting at the school Tuesday evening. Classroom visitation at 7:30 will be followed by the meeting and program at 8:00 and a good turnout is urged. Special speaker will be Father Francis Tushim, of St. Clara's Catholic church.

WSCS GATHERING

RUSSELL—All WSCS members are urged to attend the dessert-luncheon at the church at 1:00 p. m. Wednesday, when Mrs. Ralph Way and Mrs. Joseph Swanson will be hostesses. The business session will include nomination of officers and plans for a rummage sale April 3-4.

LACY PTA

The March meeting of Lacy PTA will be held at 8:00 p. m. Tuesday, preceded by teacher-parent consultation at 7:30. Robert Miley, Warren county Youth Ambassador, will speak on our foreign neighbors, and a question and answer period will follow. Fourth grade mothers will be in charge of refreshments, with Mrs. Emoree Schuler and Mrs. William Colter as co-chairmen. A good attendance is desired.

RUTH BIBLE CLASS

The quarterly social meeting of Ruth Bible Class of First Lutheran church will be held at 6:00 p. m. Wednesday in the form of a tureen dinner in the church parlors. Those attending are asked to bring a tureen and table service, with meat and dessert to be provided by the committee. Following dinner, the class will attend the Lenten service in the church as a group, and after church, will return to the church parlors for a business meeting and dessert.

EIGHT AND FORTY

Warren County Salon, Eight and Forty, will meet at 8:00 p. m. Wednesday at the home of Mrs. Hazel Witz, 107 Sixth avenue. Alberta Germonito is chairman of refreshments.

ALI-WE-JE CLUB

Members of Ali-We-Je Club will meet at 6:00 p. m. Thursday in the YWCA for its dinner-meeting. Mrs. Fern G. Olson, chairman, will give a historical sketch of the club in observance of its 45th birthday June 9. Standing reservations must be cancelled by Tuesday evening by calling 1522-W.

JAYCEE AUXILIARY

Jaycee Auxiliary members will meet at 8:30 p. m. Tuesday at the Singer Sewing Machine Company store for a demonstration, to be followed by the regular meeting and refreshments in the YMCA.

MOTHERS' CLUB

Members of Baptist Mothers' Club met at the home of Mrs. Richard Smith, 11 Main street, North Warren, when guest speaker was Mrs. Mary Conway, kindergarten teacher at McClintock School. She gave an interesting talk, explaining what children learn, and how parents may help pre-school children prepare themselves for kindergarten.

A short business meeting preceded the program, with devotions given by Jeanne Mellander. Lunch was served at an attractively decorated table in the St. Patrick's Day theme by Ann Brecht, Kitty McKown, Nancy Wilson and Joyce Brecht.

American Music Theme for DAR

At the meeting of General Joseph Warren Chapter, Daughters of the American Revolution, held Thursday in the YWCA activities building, Mrs. E. C. Slick presented a most enjoyable and informative program on American Music.

Opening with singing of "Old One Hundred", Mrs. Slick traced the development of American music from the time of landing of the Pilgrims until the present day. Her comments were augmented by use of music and songs of the various periods in our history.

Some of these were "Deep River", to illustrate negro spirituals; "Her Blanket", for the Indian contribution; "God Bless America", "You'll Never Walk Alone", from the wealth of contemporary music. In conclusion, "I Asked the Lord" was used to emphasize the beauty of new religious works.

The business session was conducted by Mrs. H. J. Granquist, vice regent, the Ritual opening this pleasant afternoon session. A social hour concluded the meeting. Mrs. F. S. Richards and Mrs. Harold Smith serving as co-hostesses; Mrs. Granquist and Mrs. Leon Laskaris presiding at a pretty tea table.

High School News

The Rifle Club will not meet tomorrow, March 17.

In order to meet the large response and to make amends for the failure of the airline hostess to be present during our Career Conference night, an airline hostess from the capital Airlines will be present on Wednesday evening, March 18 at 3 p. m. Sophomore, junior and senior girls desiring to meet and speak with this airline representative should reserve this date, March 18, and should register their names with the Guidance Office.

The Youth Canteen Board will meet tonight at 6:00 at the SPOT. The SPOT will be open from 6:30 to 9:30 tonight.

The Woman's Medical Auxiliary Society of Warren County is offering a nursing scholarship to a senior girl planning to go into the nursing field. Application forms and further information may be had from the guidance Office.

NAZARENE PASTOR IS RECALLED HERE

Rev. John Andree, pastor of First Church of the Nazarene and president of Warren County Ministerial Association, was given a three year recall by a good three fourths majority vote, at a corporation meeting held Sunday following the morning service.

The church board unanimously voted to present a three year recall to the congregation for a vote and the district superintendent, Rev. R. B. Atcheson, wrote favorably for the recall.

Rev. Andree, with his wife and three children, have served the church nine years, and much progress has been noted in every way.

PLAYERS' ELECTION

Active members of Warren Players' Club will hold an important business meeting at the Woman's Club at 8:00 this evening, with election of officers for the coming year.

LOCAL DOCTOR RETURNS

Dr. Ross Bryan, 1011 Conewango avenue, returned yesterday from a post-graduate medical seminar sponsored by Temple University School of Medicine and Alumni in San Juan, Puerto Rico. Mrs. Bryan accompanied her husband and participated in special events. Physicians from all parts of the nation attended, hosted by the Puerto Rico Chapter of Temple Alumni Association, and a complete survey of current practice, as well as personal inspection of new medical facilities, was included in the busy schedule.

Cootie Pup Tent Names New Slate

Hay Rake Pup Tent, 40, Military Order of Cooties, elected and installed new officers yesterday afternoon in the VFW post rooms.

Richard English, out-going commander, installed the following:

Lee C. Fitzpatrick, commander; Axel Nasman, senior vice commander; Shirley Dunkle, junior vice commander; Eugene Manfrey, quartermaster; Hjalmar Forsgren, officer of the day; Stanley Bullock, Bradford, chaplain; Paul Johnson, judge advocate; Henry Tellman, historian; E. M. Timmons, adjutant; Laverne Johnson, surgeon and Lowell McCann, trustee. Lewis A. Nobles was initiated as a third degree cootie.

A joint installation was held with Hayseed Cootiette Club, 302, Cooties auxiliary. Commander Fitzpatrick accepted the gavel from his predecessor and presented Cootie English with his past commander's hat.

In conclusion a ham tureen was served for members and out-of-town guests.

Lions Entertaining Governor of District

Warren Lions Club will be honored at tomorrow's 12:15 luncheon-meeting by the visitation of the District Governor, James D. Wales, of Templeton. District Governor Wales is a member of Kittanning Lions Club and has had perfect attendance in that organization for ten years.

A past president of the Kittanning Club, he also held office as deputy district governor until assuming his present post. Mr. Wales has also served as zone chairman under Paul Bucher during his term as district governor.

In addition to being a most personable and likeable man, District Governor Wales is highly respected in his community. Local Lions consider it an honor to have a man of this calibre represent them in District 14-J.

Letters to Editor

Warren, Pa., March 13, 1959
Times Publishing Company,
205 Pennsylvania Avenue,
Warren, Pa.

Dear Mr. Lowrey:

The funds we have just raised through the 1959 Heart Fund campaign in Warren County will assure the expansion of the Heart Association's research, education and community service program. Although our goal has not been met, the amount raised is gratifying and this is largely due to the fine coverage you have given us.

We realize that a large part of the credit for instilling the spirit of hope and confidence in the public mind is due to the co-operation of your publication and the other media of communication in this area.

Our sincere thanks to you and your staff for making the public aware of the heart disease problem, and we hope that we

Easter Comes Early

TOP STORY . . . For an early Easter, top coats are in order. This short coat with short sleeves and huge cape collar is red, white and blue brushed wool.

SUIT STORY . . . A three-piece walking suit of beige and brown checked wool jersey has wide-collar coat, slim skirt, challis blouse. Both by Monte-Sano.

From Paris: A Hint of the 1930s

There's a return to the look of the 1930s in this evening costume (left) by Jacques Heim. A slinky white skirt in heavy nylon crepe is worn with a gauzy black organdie blouse dotted in white. Blouse is cut with wide, notched collar which plunges into deep V. A one-piece dress with two-piece look (right) is in beige orlon-and-wool flannel. This is a Guy Laroche design. —By ROSETTE HARGROVE, NEA Staff Correspondent, Paris.

Training Camp News

By MIKE RATHET

Associated Press Sports Writer

Three of major league baseball's top performers today stood ready to testify that play during the exhibition season is just as rugged as during the regular campaign.

Willie Mays, San Francisco outfielder sidelined with a split leg; Mickey Mantle of the New York Yankees, who spent valuable time on the bench with a shoulder injury, and the Yankees' Don Larsen, latest of spring training's major casualties, all have irrefutable evidence about the perils of play along the Cactus and Grapefruit trail.

Larsen, only pitcher to fashion a perfect game in the World Series, had to quit with a shoulder injury while the St. Louis Cardinals were ripping his pitching for a 10-3 victory over the world champions Sunday.

While throwing to Ken Boyer in the third, Larsen suddenly felt a sharp pain dart in his pitching shoulder. He concluded the inning — in which he gave up six runs — and then retired. It is uncertain how long Larsen will be shelved.

Elsewhere, Cleveland's Indians were taking care of the last undefeated team, edging Boston 5-4. The Red Sox had won seven straight.

In other games, Los Angeles nipped Washington 2-1, Milwaukee thumped Cincinnati 11-5, Philadelphia bombed Pittsburgh 13-8, Baltimore defeated Kansas City 9-6 and Detroit edged Chicago's White Sox 2-1. The San Francisco Chicago Cub game at Yuma, Ariz., was canceled due to high winds.

Randolph, Victor Over Sheffield Looks Like Class C Contender

By FRED WALTERS

The Associated Press

The guess here is that the lineup for the 1959 PIAA basketball championships will be Chester against Farrell in Class A; Kutztown against Gallitzin Class B, and West Reading versus Randolph in Class C.

There's still the matter of the regional finals, of course, but each of these six teams got safely by what figured to be their toughest regional tests last week.

Out West, Randolph, Dist. 10 and Crawford County champion, meets Lilly-Washington of Dist. 6 and the North Cambria League. Randolph squeezed by Sheffield, 46-37, last Monday.

DuBois, which has been vastly underrated here, scored its second successive interdistrict triumph by upsetting Erie Strong Vincent of Dist. 10, 50-48.

The Beavers have been red hot in the latter stages of the season. They specialize in winning the close ones. But it's hard to see here that their match with Farrell could be close.

Sites of the PIAA finals across the state this week:

CLASS A

March 18—Eastern final: Tamaqua vs Chester at the Palestra, Philadelphia.

CLASS B

March 16—Eastern final: West Reading vs Wilkes-Barre Township at St. Joseph's Gymnasium, Hazleton. Western final: Lilly vs Randolph at Kittanning High School.

March 20—State final. The site will depend on the outcome of the Eastern final. If West Reading wins, the state final will be at Albright College, Reading. If Wilkes-Barre Township wins, the game will be at Wilkes College, Wilkes-Barre.

Knicks Over Celtics: Crump Shoots Hard

Crump's shooting aided Knicks in barely scouting past Celtics in YMCA Saturday afternoon. A close 59-58 score defeated Celtics as Crump dumped in 31 points.

Arnold paced losers with 20 points.

Others sinking for winners included Johnson with 12, Lundahl had 10, Shield 6. Siggins checked in with 13 for Celtics. Colter had 10, Brooks 6, Seymour 5 and J. Reynolds 4.

NATIONAL AAU TOURNEY

DENVER (AP) — Unranked teams start the 24-game grind today that will end with crowning of a champion Saturday night in the 52nd National AAU Basketball Tournament.

With eight seeded entries on the sidelines until Wednesday, the lesser outfits tangle in an eight-game first round spread over today and Tuesday. Three games tonight and five Tuesday will complete the opening round.

Featherweight Battle on Tap Wednesday Night

By MURRAY ROSE

Associated Press Sports Writer

Davey Moore attempts Wednesday night to become the second member of the great American Olympic boxing team of 1952 to win a world professional championship.

The fast, hard-hitting Olympian from Springfield, Ohio, takes on World Featherweight Champion Hogan (Kid) Bassey of Nigeria in a 15-round title strap at the Los Angeles Olympic Auditorium. The bout, starting at 10 p.m. EST, will be telecast coast to coast (ABC).

Floyd Patterson won the Olympic 165-pound crown in Finland in 1952 and went on to capture the pro heavyweight title.

Bassey, winner of his last 11 fights, is a 6-5 choice over the No. 1 contender, who has swept his last 13 scraps. The muscular little champion has a 54-10-1 record, including 20 knockouts. Moore's record is 35-5-1, including 15 kayos. Each stands 5-3 and, for little men, hit with authority.

Los Angeles and an area 250 miles around the city will be blacked out of the telecast. The promoters hope to draw a crowd of 10,000 and a \$80,000 gate. Bassey, 26, has been guaranteed \$45,000 against 40 per cent of the receipts. Moore will collect 20 per cent.

Light heavyweight contenders Tony Anthony of New York and Sonny Ray of Chicago are matched for the week's other television fight. They collide in a return 10-round bout at New York's Madison Square Garden Friday night (NBC 10 p.m., EST). Anthony, 24, the No. 1 contender, outpointed Ray, ranked fifth, in their first meeting at the Garden, last Nov. 15. Anthony's record is 37-6-1, including 28 knockouts. Ray's record is 18-6-5, including seven kayos.

PLAYERS LEAVE PITT

PITTSBURGH (AP)—Four Pitt varsity football players have left school, two involuntarily, for undisclosed reasons.

Dr. John Geise, assistant chancellor, said Saturday fullback Marty Baracca of Blairsville and center Mike Lucchi of Ambridge were dismissed. Quarterback Ed Shrockman of St. Clair and fullback Pat Marsilio of Ambridge withdrew voluntarily, Geise said.

LOES OUT QUICK

MIAMI, Fla. (AP)—Billy Loes, who repeatedly has expressed a desire to pitch for a team other than Baltimore, didn't do much pitching for the Orioles in his first spring appearance.

The 29-year-old righthander was knocked from the box with no outs in the third inning Sunday after giving up five runs on three hits to the Kansas City Athletics. Among the hits were homers by Bob Cerv and Harry Simpson.

Pettit Is Named Most Valuable Player in Nat'l

BOSTON (AP)—Big Bob Pettit, the St. Louis Hawks' star who shattered a handful of scoring records this season, today was named the most valuable player of the National Basketball Assn.

Pettit, an All America at Louisiana State, was an overwhelming choice, polling 21 first place votes and three seconds in balloting by three members of the U.S. Basketball Writers Assn. in each of the eight NBA cities.

Pettit drew 273 points of a possible 288. Rookie Elgin Baylor of the Minneapolis Lakers was a distant second with 142 points, followed by veteran Bob Cousy of the Boston Celtics with 121 and Bill Russell of the Celtics with 109.

Scoring Picks Up In Team Division At ABC Tourney

ST. LOUIS (AP)—Scoring has picked up in the open team division at the American Bowling Congress Tournament during the last few days.

When the Milwaukee Bridge Co. team rolled a 3101 series Sunday night to take seventh place in the standings, it marked the fifth day in a row that a score of 3100 or better was recorded.

The Milwaukee club's outburst was the seventh time in this tournament that a score of 3100 or better had been rolled, an ABC record. Last year, six teams rolled 3100 or more.

Despite new scoring in the team division, most experts have conceded the 1959 title to the Detroit Pfeiffers, who rolled a record 3243 on Feb. 25. The 72-day tourney has 42 days to run.

Ashburn May be Moved Back Notch in Batting

ST. PETERSBURG, Fla. (AP)—Manager Eddie Sawyer is flirting with the idea of moving Richie Ashburn back a notch to the No. 2 spot in the Philadelphia Phillies' batting order.

The 1958 National League batting champ, Sawyer said today, would make an ideal No. 2 man.

IN PIRATE CAMP

FORT MYERS, Fla. (AP)—It the Pittsburgh Pirates are to fulfill their National League pennant aspirations they are going to have to beat other teams beside the champion Milwaukee Braves.

In Grapefruit League games to date the only consistent success they've had is against the Braves, winning all three encounters.

Against six other opponents the Pirates were successful only once, giving them a 4-5 overall record. Today the Pirates face Cincinnati at Fort Myers. Cincinnati won their last meeting.

Pros Name Pettit As NBA's Most Valuable Player; All-Time Great

ENDORSEMENT

By MURRAY OLDERMAN
NEA Staff Correspondent

NEW YORK—(NEA) — If there was ever any doubt this is the Bob Pettit era, in professional basketball, the players of the National Basketball Association have voted it out. They named the tall gunner of the St. Louis Hawks winner of the fourth annual President's Cup, announced today by NEA Service and Warren Times-Mirror.

And they did it with the greatest individual vote barrage since the most valuable player poll was instituted in 1956. Pettit drew 59 of a possible 70 first place votes (voting for teammates is verboten) and a point tabulation of 317. By contrast, Bill Russell won the Cup last year with 33 first place votes and 228 points.

Russell was second in this year's competition and Elgin Baylor, the NBA's rookie of the year with Minneapolis, finished third. Bob Cousy, the 1957 winner, was fourth.

This is Pettit's second time out as the top man of the pros, weren't used to getting their talent out of the deep South.

Besides his snooting, Pettit now is a tremendous defensive performer, too, one who can go

up on the boards with Bill Russell he also won the inaugural award four seasons back. It's not too far-fetched a notion that if he hadn't (a) broken his right wrist in 1957 and (b) broken a bone in his right hand last year, Pettit might have swept the award boards the same way he had dominated NBA scoring this year.

All he's done this campaign is break George Mikan's all-time record of 28.4 points per game and George Yardley's season total of 2,001 points.

"He's the perfect player for today's style of basketball," says Coach Ed Macauley of the Hawks, "the big man with the grace of the little fella. He has great strength and great spring and he can shoot."

"Without basketball," says Pettit modestly, "I'd be just another big man."

The truth is, the NBA had reservations about Pettit's ability to make it when he came out of Louisiana State five years ago, a tall 6-9 question-bable defensive ability. But then those reservations may have been due because the pros sell, or anyone in the history of the game.

Like Mikan, he has a fierce

competitive desire to excel.

He's 26, in the prime of his career and should be good for another five seasons to round out a decade that easily could establish him as the greatest basketball player of all time.

About the only thing Pettit can't do is talk about himself.

The first time he won the President's Cup, his reaction was short: "Gosh!"

This time we didn't get that much out of him. The operator at the Onondaga Hotel in Syracuse, where the Hawks were playing out the schedule on the final night, had orders: "No disturb." Pettit was asleep.

"Probably," said Haskell Cohen, the NBA publicist, "he would have said, 'Gee, gosh.'"

Other players named were: Bill Russell, Boston; Elgin Baylor, Minneapolis; Bob Cousy, Boston; Paul Arizin, Philadelphia; Dolph Schayes, Syracuse; Larry Costello, Syracuse; Ken Sears, New York.

Cliff Hagan, St. Louis; Jack Twyman, Cincinnati; Tom Gola, Philadelphia; Dick McGuire, Detroit; Richie Gusrin, New York; Gene Shue, Detroit; and Al Bianchi, Syracuse.

BURGESS IS HONORED
William E. Rice was honored Friday evening at a dinner given by a group of fellow employees of New Process Company. The affair marked Mr. Rice's official resignation from the prominent business firm to conduct an active campaign for the Republican nomination to the office of Warren county treasurer at the May 19 primary election. The Burgess was presented a handsome gold watch suitably inscribed.

OPERATION A SUCCESS
Friends of Mrs. Joseph Williamson will be pleased to learn that she is recuperating nicely after undergoing an "open heart" surgical operation. The Heart-Lung machine developed by the University of Michigan Hospitals was used. The operation revealed a hole between the two top chambers of the heart about the size of a silver dollar. Mrs. Williamson will remain at the hospital for several more weeks and friends may write her at the following address: Mrs. Helen Williamson, Heart Hospital, University of Minnesota Hospitals, Minneapolis 14, Minn.

ELECTION CALENDAR
Today was the last day to file candidates petitions for the May primary election. Other dates for electors to note during the month of March are: March 19—last day an elector may move from one election district to another in order to be eligible to vote at primary; March 30—last day to change non partisan or party registration and last day to report removal from one district to another. The primary election this year promises to be an exciting one and heavy voting is anticipated.

RETURN FROM FLORIDA
Mr. and Mrs. Harry Calhoun, with Florence Calhoun, Water street, have returned from a Florida trip, marred by an automobile accident which occurred just as they were leaving for home. Considerable delay was encountered when the local people were forced to remain to testify in court regarding the accident in which they were inadvertently involved.

IN WASHINGTON
Three local leaders of Warren County Farmer's Association are in Washington today for a visit with Congressman Leon Gavin. According to Axel Carlstrom of Akaley, the organization is deeply involved in the affairs of government. Listed on the two day agenda is the subject dealing with establishing minimum wage controls for farm workers. Mrs. Carlstrom accompanied her husband with Howard Van Tassel of Corry also representing the group.

Warren Aviation Club Has Work Bee

Warren Aviation Club members have organized a work bee to help Alfred Peterson rebuild his hangar, and replace the roof which was blown off by recent high winds. This is the second time in a short period that Mr. Peterson has suffered damage to the first instance occurring when heavy snows caved in the roof. He repairs and recovers airplanes in the hangar, and has had to postpone work on three ships, until repairs to the building are completed. In the above photo, standing left to right, are the following enthusiasts who believe in the future of aviation, and especially at the local airport: Dr. John Huey, Vern Bailey, Tom Marsh, Alfred Peterson, Jack Shattuck, Harold Webster, Roger Werner, Sherman VanFelt, Bete Meeker and Howard Whitmore. Picture was taken by another flier, Everett Stokes.

Nat'l Basketball Ready for Best-Of Seven Series

By THE ASSOCIATED PRESS
Syracuse is "in" and New York is out in the East, but Detroit still has its foot in the door in the West thanks to Gene Shue.

That's the picture in the National Basketball Assn. playoffs today after Syracuse's 131-115 victory over New York and Detroit's 117-103 triumph over Minneapolis in the semifinal playoffs Sunday.

Syracuse, with Johnny Kerr scoring 34 points, George Yardley 24 and Dolph Schayes 20, closed out New York's first playoff bid in four years in two straight games.

The Nationals will open a best-of-seven series with the Eastern Division champion Boston Celtics at Boston Wednesday night for the Eastern playoff title.

Bundle Day Collection Ending in Warren

Last call for Bundle Day clothing collection!

Children in many parts of the world, including underprivileged areas of United States, await response to nationwide Save the Children Federation bundle days clothing collection ending this week in Warren schools.

"Students are enthusiastic about the clothing collection and parents and friends are urged to cooperate with them in bringing their total collection to a high point," said Miss Edith Berkman, principal of South Street School.

Blankets and sheets, in addition to good, used winter and summer garments for children, babies and adults are urgently needed. Low-heeled shoes and over-shoes are especially required.

Warren Co. All-Stars Win Over Southern Five, 65-57

BOWLING SCORES

TOURNAMENT RESULTS

Warren County All-Stars won over Southern Five, 65-57 at Northern Area Friday night.

The Upper Allegheny Valley League roster was split in half for the All-Star game.

Although leading going into second quarter, Warren's bulge was whittled down as Southern pulled ahead 20-16 at the half.

Leading 35-28 end of third, Warren County All-Stars battled back to knot it at 50-50 at the end of the regular fourth quarter. Overtime was called. Warren spurring ahead for the win.

Youngsville's Tom Graig shot a goal that tied the score and Fuellhart of Tidouite hit for eight points in an overtime period to notch the win.

Craig's 22 points were top in both scoring departments. Fuellhart had 17. For Southern County stars, Mortimer and Getting each sank 12 points.

Prelim was also hotly contested with faculty players from the southern schools defeating Warren County teachers 51-46. Winners staged a 22-point upsurge in fourth frame after trailing 24-29 going into the period. Hack started for the Warren County teachers with 10. Finley had 14 for South.

Training Camp News

By MIKE RATHET

Associated Press Sports writer

Three of major league baseball's top performers today stood ready to testify that play during the exhibition season is just as rugged as during the regular campaign.

Willie Mays, San Francisco outfielder sidelined with a split leg; Mickey Mantle of the New York Yankees, who spent valuable time on the bench with a shoulder injury; and the Yankees' Don Larsen, latest of spring training's major casualties, all have irrefutable evidence about the perils of play along the Cactus and Grapefruit trail.

Larsen, only pitcher to fashion a perfect game in the World Series, had to quit with the shoulder injury while the St. Louis Cardinals were ripping his pitching for a 10-3 victory over the world champions Sunday.

While throwing to Ken Boyer in the third, Larsen suddenly felt a sharp pain in his pitching shoulder. He concluded the inning - in which he gave up six runs - and then retired. It is uncertain how long Larsen will be shelved.

Elsewhere, Cleveland's Indians were taking care of the last undefeated team, edging Boston 5-4. The Red Sox had won seven straight.

In other games, Los Angeles nipped Washington 2-1, Milwaukee

thumped Cincinnati 11-5, Philadelphia bombed Pittsburgh 13-8. Baltimore defeated Kansas City 9-6 and Detroit edged Chicago's White Sox 2-1. The San Francisco-Chicago game at Yuma, Ariz., was canceled due to high winds.

Cleveland won in the last of the ninth when Red Sox second baseman Pumpsie Green booted a double play ball, allowing Jimmy Piersall to score with the winning run.

The combined two-hit pitching of Danny McDevitt and Bill Harris gave the Dodgers their seveninning victory over Washington in a game curtailed by rain.

The Braves won their third game in eight outings with solid clubbing by two supposedly light hitters. Felix Mantilla stroked two doubles and a pair of singles and batted in two runs while Billy Bruton accounted for three RBIs with three hits.

Valmy Thomas' three-run homer and Harry Anderson's second RBI's paced Philadelphia's 15-hit attack against Pittsburgh.

Jerry Walker, 30-year-old Oriole pitcher, limited Kansas City to three hits after taking over in the third while Gus Triandos supplied the winning runs with a three-run homer in the sixth.

Gus Zernial's ninth-inning home run with one aboard ended a two-game losing streak for the Tigers.

Light heavyweight contenders Tony Anthony of New York and Sonny Ray of Chicago are matched for the week's other television fight. They collide in a return 10-round bout at New York's Madison Square Garden Friday night (NBC 10 p.m., EST). Anthony, 24, the No. 1 contender, outpointed ray, ranked fifth, in their first meeting at the Garden, last Nov. 15. Anthony's record is 37-6-1, including 28 knockouts.

Ray's record is 18-6-5, including seven kayos.

Featherweight Battle on Tap Wednesday Night

By MURRAY ROSE

Associated Press Sports Writer

Davey Moore attempts Wednesday night to become the second member of the great American Olympic boxing team of 1952 to win a world professional championship.

The fast, hard-hitting Olympian from Springfield, Ohio, takes on World Featherweight Champion Hogan (Kid) Bassey of Nigeria in a 15-round title scrap at the Los Angeles Olympic Auditorium. The bout, starting at 10 p.m. EST, will be telecast coast to coast (ABC).

Floyd Patterson won the Olympic 165-pound crown in Finland in 1952 and went on to capture the pro heavyweight title.

Bassey, winner of his last 11 fights, is a 6-5 choice over the No. 1 contender, who has swept his last 13 scraps. The muscular little champion has a 54-10-1 record, including 20 knockouts. Moore's record is 33-5-1, including 15 kayos. Each stands 5-3 and, for little men, hit with authority.

Los Angeles and an area 250 miles around the city will be blacked out of the telecast. The promoters hope to draw a crowd of 10,000 and a \$90,000 gate. Bassey, 26, has been guaranteed \$45,000 against 40 per cent of the receipts. Moore will collect 20 per cent.

Scantily Clad Female Wrestling Poses Out!

CORVALLIS, Ore. (AP) - Oregon State College President A. L. Strand has banned any further use of pictures of scantily clad coeds to promote athletic events.

He criticized the use of photographs of seven coeds, all clad in one-piece bathing suits, to publicize the recent Pacific Coast Intercollegiate Wrestling Tournament. The girls depicted various wrestling holds and wore such identification as Miss, Takedown, Miss Predicament, Miss Escape and Miss Fall.

PLAYERS LEAVE PITT

PITTSBURGH (AP) - Four Pitt varsity football players have left school, two involuntarily, for undisclosed reasons.

Dr. John Geise, assistant chancellor, said Saturday fullback Marty Baracca of Blairsville and center Mike Lucio of Ambridge were dismissed. Quarterback Ed Shrockman of St. Clair and fullback Pat Marsilio of Ambridge withdrew voluntarily, Geise said.

LOES OUT QUICK

MIAMI, Fla. (AP) - Billy Loes, who repeatedly has expressed a desire to pitch for a team other than Baltimore, didn't do much pitching for the Orioles in his first spring appearance.

The 29-year-old righthander was knocked from the box with no outs in the third inning Sunday after giving up five runs on three hits to the Kansas City Athletics. Among the hits were homers by Bob Cerv and Harry Simpson.

Pettit Is Named Most Valuable Player in Nat'l

BOSTON (AP) - Big Bob Pettit, the St. Louis Hawks' star who shattered a handful of scoring records this season, today was named the most valuable player of the National Basketball Assn.

Pettit, an All America at Louisiana State, was an overwhelming choice, polling 21 first place votes and three seconds in balloting by three members of the U.S. Basketball Writers Assn. in each of the eight NBA cities.

Pettit drew 273 points of a possible 288. Rookie Elgin Baylor of the Minneapolis Lakers was a distant second with 142 points, followed by veteran Bob Cousy of the Boston Celtics with 121 and Bill Russell of the Cats with 109.

Scoring Picks Up In Team Division At ABC Tourney

ST. LOUIS (AP) - Scoring has picked up in the open team division at the American Bowling Congress' Tournament during the last few days.

When the Milwaukee Bridge Co. team rolled a 3101 series Sunday night to take seventh place in the standings, it marked the fifth day in a row that a score of 3100 or better was recorded.

The Milwaukee club's outburst was the seventh time in this tournament that a score of 3100 or better had been rolled, an ABC record. Last year, six teams rolled 3100 or more.

Despite new scoring in the team division, most experts have conceded the 1959 title to the Detroit Pfeiffers, who rolled a record 3245 on Feb. 25. The 72-day tourney has 42 days to run.

Ashburn May be Moved Back Notch in Batting

ST. PETERSBURG, Fla. (AP) - Manager Eddie Sawyer is flirting with the idea of moving Richie Ashburn back to the No. 2 spot in the Philadelphia Phillies' batting order.

The 1958 National League batting champ, Sawyer said today, would make an ideal No. 2 man.

IN PIRATE CAMP

FORT MYERS, Fla. (AP) - If the Pittsburgh Pirates are to fulfill their National League pennant aspirations they are going to have to beat other teams beside the champion Milwaukee Braves.

In Grapefruit League games to date the only consistent success they've had is against the Braves, winning all three encounters.

Against six other opponents the Pirates were successful only once, giving them a 4-5 overall record. Today the Pirates face Cincinnati at Fort Myers. Cincinnati won their last meeting.

Pros Name Pettit As NBA's Most Valuable Player; All-Time Great

ENDORSEMENT

To: Bob Pettit
for outstanding individual achievement

By MURRAY OLDERMAN
NEA Staff Correspondent
NEW YORK—(NEA) — If there was ever any doubt this is the Bob Pettit era in professional basketball, the players of the National Basketball Association have wiped it out. They named the tall gunner of the St. Louis Hawks winner of the fourth annual President's Cup, announced today by NEA Service and Warren Times-Mirror. And they did it with the greatest individual vote barrage since the most valuable player poll was instituted in 1956. Pettit drew 59 of a possible 70 first place votes (voting for teammates is verboten) and a point tabulation of 317. By contrast, Bill Russell won the Cup last year with 33 first place votes and 228 points. Russell was second in this year's competition and Elgin Baylor, the NBA's rookie of the year with Minneapolis, finished third. Bob Cousy, the 1957 winner, was fourth. This is Pettit's second time out as the top man of the pros, weren't used to getting their talent out of the deep South. Besides his shooting, Pettit now is a tremendous defensive performer, too, one who can go

up on the boards with Bill Russell since he also won the inaugural award four seasons back. It's not too far-fetched a notion that if he hadn't (a) broken his right wrist in 1957 and (b) broken a bone in his right hand last year, Pettit might have swept the award boards the same way he had dominated NBA scoring this year. All he's done this campaign is break George Mikan's all-time record of 28.4 points per game and George Yardley's season total of 2,001 points. "He's the perfect player for today's style of basketball," says Coach Ed Macauley of the Hawks, "the big man with the grace of the little fella. He has great strength and great spring and he can shoot." "Without basketball," says Pettit modestly, "I'd be just another big man." The truth is, the NBA had reservations about Pettit's ability to make it when he came out of Louisiana State five years ago, a tall 6-9 fellow with a hook shot and questionable defensive ability. But then those reservations may have been due because the pros sell, or anyone in the history of the game. Like Mikan, he has a fierce

competitive desire to excel. He's 26, in the prime of his career and should be good for another five seasons to round out a decade that easily could establish him as the greatest basketball player of all time. About the only thing Pettit can't do is talk about himself. The first time he won the President's Cup, his reaction was short: "Gosh!" This time we didn't get that much out of him. The operator at the Onondaga Hotel in Syracuse, where the Hawks were playing out the schedule on the final night, had orders: "No disturb." Pettit was asleep. "Probably," said Haskell Cohen, the NBA publicist, "he would have said, 'Gee, gosh.'" Other players named were: Bill Russell, Boston; Elgin Baylor, Minneapolis; Bob Cousy, Boston; Paul Arizin, Philadelphia; Dolph Schayes, Syracuse; Larry Costello, Syracuse; Ken Sears, New York. Cliff Hagan, St. Louis; Jack Twyman, Cincinnati; Tom Gola, Philadelphia; Dick McGuire, Detroit; Richie Guerin, New York; Gene Shue, Detroit; and Al Bianchi, Syracuse.

BURGESS IS HONORED
William E. Rice was honored Friday evening at a dinner given by a group of fellow employees of New Process Company. The affair marked Mr. Rice's official resignation from the prominent business firm to conduct an active campaign for the Republican nomination to the office of Warren county treasurer at the May 19 primary election. The Burgess was presented a handsome gold watch suitably inscribed.

OPERATION A SUCCESS
Friends of Mrs. Joseph Williamson will be pleased to learn that she is recuperating nicely after undergoing an "open heart" surgical operation. The Heart-Lung machine developed by the University of Michigan Hospitals was used. The operation revealed a hole between the two top chambers of the heart about the size of a silver dollar. Mrs. Williamson will remain at the hospital for several more weeks and friends may write her at the following address: Mrs. Helen Williamson, Heart Hospital, University of Minnesota Hospitals, Minneapolis 14, Minn.

ELECTION CALENDAR
Today was the last day to file candidates petitions for the May primary election. Other dates for electors to note during the month of March are: March 19—last day an elector may move from one election district to another in order to be eligible to vote at primary; March 30—last day to change non partisan or party registration and last day to report removal from one district to another. The primary election this year promises to be an exciting one and heavy voting is anticipated.

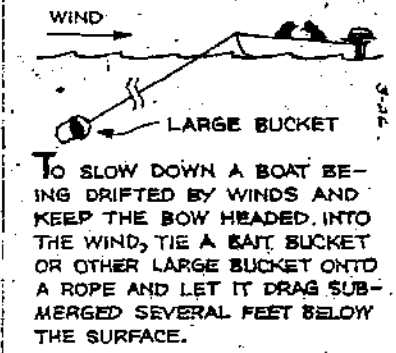

RETURN FROM FLORIDA
Mr. and Mrs. Harry Calhoun, with Florence Calhoun, Water street, have returned from a Florida trip, marred by an automobile accident which occurred just as they were leaving for home. Considerable delay was encountered when the local people were forced to remain to testify in court regarding the accident in which they were inadvertently involved.

IN WASHINGTON
Three local leaders of Warren County Farmer's Association are in Washington today for a visit with Congressman Leon Gavin. According to Axel Carlstrom of Akeley, the organization is deeply involved in the affairs of government. Listed on the two day agenda is the subject dealing with establishing minimum wage controls for farm workers. Mrs. Carlstrom accompanied her husband with Howard Van Tassel of Corry also representing the group.

Warren Aviation Club Has Work Bee

Warren Aviation Club members have organized a work bee to help Alfred Peterson rebuild his hangar, and replace the roof which was blown off by recent high winds. This is the second time in a short period that Mr. Peterson has suffered damage the first instance occurring when heavy snows caved in the roof. He repairs and recovers airplanes in the hangar, and has had to postpone work on three ships, until repairs to the building are completed. In the above photo, standing left to right, are the following enthusiasts who believe in the future of aviation, and especially at the local airport: Dr. John Huey, Vern Bailey, Tom Marsh, Alfred Peterson, Jack Shattuck, Harold Webster, Roger Werner, Sherman VanPelt, Bete Meeker and Howard Whitmire. Picture was taken by another flier, Everett Stoker.

Nat'l Basketball Ready for Best-Of Seven Series

By THE ASSOCIATED PRESS
Syracuse is "in" and New York is out in the East, but Detroit still has its foot in the door in the West thanks to Gene Shue. That's the picture in the National Basketball Assn. playoffs today after Syracuse's 131-115 victory over New York and Detroit's 117-103 triumph over Minneapolis in the semifinal playoffs Sunday. Syracuse, with Johnny Kerr scoring 34 points, George Yardley 24 and Dolph Schayes 20, closed out New York's first playoff bid in four years in two straight games. The Nationals will open a best-of-seven series with the Eastern Division champion Boston Celtics at Boston Wednesday night for the Eastern-playoff title.

H. W. WAGNER
Herbert William Wagner, 51, actor avenue, North Warren, died at Warren General Hospital at 4:25 p. m. Saturday at the age of 67 years.
Mr. Wagner was born in Buffalo, N. Y., March 28, 1891, and resided at 10 North Irvine street, Warren, before moving to North Warren about a year ago. A graduate of University of Buffalo, he had been employed for the past 35 years by United Refining Company, where he was chief chemist, and was a member of the American Chemical Society. He was a member of the American Legion in Buffalo. He was also a member of First Lutheran church of Warren; of Hiram Lodge, F. and A. M., and Isma- temple in Buffalo; of Coun- tersport Consistory and Warren County Shrine Club.
Preceded in death on March 1, 1948 by his wife, Florence, he is survived by one son, Robert F. Wagner, a student at Thiel College in Greenville. He was also preceded in death by his brother, Norman P. Wagner.
His pastor, the Rev. F. B. Haer, will conduct funeral services at 8:00 p. m. Tuesday, and a committal service will be held Wednesday afternoon in Forest Lawn Cemetery Chapel in Buffalo.

INFANT ALBAUGH
Donald Louis, five months old son of Mr. and Mrs. Donald E. Albaugh of 345 North Main street, Clarendon, died suddenly about 11:00 p. m. Friday, despite efforts of Clarendon Volunteer Fire Department members, who responded to a call for the neonator and accompanied the infant on the trip to Warren General Hospital, where he was pronounced dead on arrival. A certificate of death from pneumonia was issued.
Born in Warren on October 12, 1958, the child leaves his parents, Donald E. and Margaret (Peggy) Hartweg Albaugh; two sisters, Karen and Judy, at home; his grandparents, Mr. and Mrs. Ernest Albaugh and Mrs. Mildred Hartweg Warren; and great-grandparents, Mr. and Mrs. Bert Albaugh, Sr. of Irvine; Mr. and Mrs. William Mulvey, Warren.
Father Francis P. Tushim, of St. Clara's Catholic church in Clarendon, officiated for the prayer service at 10:00 a. m. today, with interment following in St. Joseph's cemetery.
Attending the rites from away were Mrs. Henry Smith

The snow, powered by the high winds, ranged up to a foot or more and blocked highways in many Midwest areas.
The last of the passenger trains was freed from its snow-bound station by five diesel units coupled together. It was en route from Ashland to Green Bay-Wisconsin-Chicago.

Man Holds Breath Under Water Over 13 Minutes

'SAN RAFAEL' Calif. (AP)—An electronics technician held his breath under water for 13 minutes and 42 seconds—long enough to have written a letter—if he had a ball point pen.
He claimed a new world record. Robert Foster, 32, of Richmond, Calif., a member of the Marin Scuba Divers Club, said he beat the old record by 75 seconds. Before entering the pool, Foster gulped pure oxygen administered by an anaesthetist for 20 minutes to drive all carbon dioxide from his lungs.

last week when several democratic members refused to back the proposal.
Rep. Stephen McCann, House Democratic floor leader, came up with a 4 per cent boost proposal and no extension after a caucus last week, but the governor said Friday he would not compromise.
Rep. W. Stuart Helm (R-Armstrong), chairman of the House GOP Policy Committee, said that although Lawrence "has painted himself into a corner with his own party," House Republicans would not attempt to present solid opposition.
The unit rule binds all members of a party caucus to vote with the caucus majority. Violation of the rule brings expulsion from future caucuses and the loss of many party privileges.
The Pennsylvania Tavern Assn., the Pennsylvania Assn. of Tobacco and Candy Distributors and the Pennsylvania Restaurant Assn. have asked members, employees and consumers to fight the tax package through their legislators.
Other action on the legislative schedule calls for the start of a Senate Budget Committee investigation today. The committee hearings were scheduled with an eye to saving time when the plans clear the House.

Another Senate probe is scheduled to open Thursday when a five-member committee headed by Sen. George N. Wade (R-Cumberland) looks at operations of the State Public Instruction Department.

Sen. James S. Berger, Senate Republican floor leader, said his Rules Committee will send to the floor for action a resolution calling for a five-member Senate committee to investigate the Public Welfare Department's operations. He predicted it would win Senate approval.
Berger also predicted that the Senate would give final legislative approval to a bill providing for annual sessions of the General Assembly.

Plucky Store Owner Fools Young Gunman

COMPTON, Calif. (AP)—"Turn your back and walk to the rear of the store," the young gunman told market owner Mrs. Jere Ledet.
"I will not," snapped Mrs. Ledet.
"Where's your money?" demanded the gunman.
"I don't have much and you're not going to get it—I work 13 hours a day."
"Go ahead and shoot," the gunman blinked at Mrs. Ledet and ran out of the store.
She told police, "I was scared to death really."

Dean

(From Page One)
60 years, his practice taking him into the homes of most of the Warren area families of his own and succeeding generations.

Dr. Frantz was actively affiliated with the Warren County, Pennsylvania and American Medical Associations, was one of the early figures instrumental in establishing the Warren Emergency Hospital and served as one of its board members.

Long a member of First Lutheran church, he served as superintendent of its Sunday school for some years, and was active in its affairs throughout most of his life. He served 14 years as a board member for Thiel College in Greenville, and was formerly on the board of the Bethesda Orphan Home in Meadville, both Lutheran-supported institutions. He was also a past president of Warren County Sunday School Association.

In his earlier years, Dr. Frantz served as a member of both Warren Borough Council and School Board; was the incorporator and former president of Warren County Dairy Association, and had held an active interest in various other business enterprises. His interest in rural affairs was back of many years' membership in Warren Grange and active worker in its various projects. More recently, he was a charter member and first president of the Warren County Golden Age Society.

Preceded in death in 1947 by his wife, Florence Hertzler Frantz, he is survived by two sons, James H. and Charles H. Frantz, of Warren; also four grandsons.
Funeral services will be conducted at 2:00 p. m. Tuesday by his pastor, the Rev. Frederick B. Haer of First Lutheran church, with interment following in Oakland cemetery. The family will appreciate omission of flowers.

He also was expected to reiterate this nation's intention to stand firm in Berlin, and to emphasize the senselessness of atomic war.

Informed sources described the speech as a restatement of the American position and an effort to put into perspective the cold war battle over Berlin that has been raging since last November. They said the speech would contain no surprises and set forth no new policies.
Sen. Mansfield (D-Mont.), a member of the Senate Foreign Relations committee, suggested today that Eisenhower lay down the general terms the West will be prepared to consider in any Berlin negotiations with the Soviet Union.

"In this way his words would not only reach the people in the Democratic and uncommitted countries but would be carried into the Soviet Union and the satellite countries by the Voice of America," Mansfield said. "In view of the extreme gravity of the situation, they might even be carried in part on stations in the U.S.S.R."

Eisenhower will begin talks Thursday with British Prime Minister Harold Macmillan in a further effort to agree on a common stand among the Allies.
Macmillan is reported as likely to urge agreement on a summit conference with Soviet Premier Nikita Khrushchev to follow up a meeting of the Big Four foreign ministers which has been suggested for May.

Chairman J. William Fulbright (D-Ark) of the Senate Foreign Relations Committee said in a week-end TV-radio program that the United States should be willing to take Berlin and other problems to a summit conference.
"We have to accept that fact that in the Soviet Union there isn't any second most important man," Fulbright said. "It's just the most important man. To them, a foreign ministers' conference is rather a waste of time because Khrushchev speaks for all of them."

Wind Will Subside, Nicer Weather Tues.

Western winds blew themselves into this area yesterday at high speeds to send signs, tree limbs and non-stationary objects moving about.
The seven-inch accumulation of snow quickly disappeared under a light drizzle topped by the strong, gusty winds.
Considerable damage was caused in Crawford County. Nothing of serious damage was reported locally. Several TV antennas were blown from roof tops throughout the area.

Past melting of snow over the weekend set Allegheny River up once more to a 6.07 foot stage as of this morning. The new level shows a two-foot increase over that of Friday. Weather observer Gil Reier reported .09 inch of precipitation. Better ready the snow clothes if you'll be out late tonight. Weatherman says there is a chance of snow flurries in the north portion. Sunny and somewhat warmer weather will be restored to us Tuesday.

Deodorized Skunk Breaks Up Convention

TAMPA, Fla. (AP)—The sales meeting of a type-writer firm at a hotel turned out to be a stinking affair.
Ed Valentine took what he thought was a deodorized skunk to the meeting as a prize in a sales contest.
The skunk got nervous and smelled up the place. That broke up the meeting. The odor wafted into the air conditioning system, forcing temporary evacuation of five floors of the hotel as well as the dining room and lounge.

Local Engineer Is Selected To Receive Award

A Warren man will be singularly honored by the American Society of Tool Engineers when the Chautauqua-Warren Chapter of that organization meets Thursday, at the Bar-B Ranch Restaurant on the Sugar Grove Busti road.

Chapter president Lawrence R. Green has been advised by National Awards committee that Robert F. Wilson, Jr., above, 209 Division street, and engineer in charge of plastic mold design for Sylvania Electric Products, has been selected to receive the Award of Merit for 1959.

Mr. Wilson is one of 14 men from the United States and Canada chosen for this honor on the basis of valued balanced contributions to the Society's activities, including service to the chapter, national committees and to his community.

Formal announcement was made in the March issue of "The Tool Engineer", official publication, and presentation of the award will be made at the dinner which is scheduled for seven p. m. with a meeting to follow at eight. Guests are welcome to attend and reservations may be made with the secretary, Karl Pierson, 504 Conewango avenue. An additional feature will be installation of new officers.

In honoring Mr. Wilson with this award, the Society of Tool Engineers is recognizing a man who has served tirelessly in many capacities and for various organizations. He received his degree in electrical engineering at Bucknell University, and has had the distinction of having been chairman of two chapters. His affiliations with other technical societies have contributed greatly to ASTE prestige throughout the country.

Community service has been of great importance to Bob Wilson. He has promoted community health movements mostly, as past president of Warren County Chapter of the American Heart Society; and Warren Lions Club. He serves also on Committee for the Blind, Crippled Childrens Society and Boy Scouts of America, and others.

In his letter of nomination for this award, past chairman, L. H. Beaujean pays this tribute, "To all of us who have had the privilege of knowing and working with Bob Wilson, he will always be 'Mr. Tool Engineer' of Chautauqua-Warren Chapter No. 108."

Counsel for Racket Committee Threatened

WASHINGTON (AP)—Threats that acid will be thrown into the eyes of his six children have been received by Robert F. Kennedy, chief counsel of the Senate Labor-Management Committee.

It was understood the FBI has been informed.
Kennedy declined any comment on the threats reportedly made by an anonymous telephone caller over a period of weeks—most of them last December.

Kennedy told the committee about the calls at a closed door meeting Tuesday. It was learned Sunday night. However, he reportedly did not ask the committee to take any specific steps to protect his family.

WHISTLING SWANS
Franklin residents have been hearing sounds variously described as the sound of "Indians attacking a wagon train" and "a pack of wild dogs." Neither description fits the facts, since the solution lies in the gathering there of more than 65 whistling swans, a rare and noisy bird. Most of the birds bedded down near the tip of Turtle Island, familiar area to many Corryites.

AREA SUICIDE

Kane Republican George J. Kisko, 57, an area resident for more than 35 years, died suddenly from a self-inflicted gunshot wound at 11:45 o'clock Friday morning at the Frank Depo residence, Gibbs Hill, Ludlow, where he made his home. Mr. Kisko, who was born March 29, 1901 at Bitumen, Pa., lived at Wilcox for several years before moving to Ludlow 35 years ago. He attended the Wilcox schools. He was an employee of the J. G. Curtis Leather Co. at Ludlow for many years.

NEAR CRASH

The crowding of the nation's airways moved closer to home this week as a near-crash of two aircraft close to Bradford was reported. The pilot of an Atomic Energy Commission plane came within 100 feet of a mid-air crash with a Trans World Airlines Constellation over the area city. The AEC plane was an Air Force C54, leased by the commission. Both pilots took evasive action, one climbing 50 feet, the other going into a dive.

EARLY VISITOR

Norman Cole, creator of the beautiful and outstanding ice display in the front yard of his home in Stoneham, brought an unusually early visitor to Times-Mirror today. The creature was a big moth, which normally arrives when shrubbery and good warm weather is here. The little fellow fluttered about the offices before being put back on his course outdoors. Norman revealed that there is a possibility of installing coils inside his ice creation, which is about 18 feet high, keeping it as an attraction through the warmer months. As it now stands the ice, which is flooded with colored lights at night, will probably be gone about last of May.

Suit Plantings to Their Setting
To get satisfaction in plantings about the home always use the right plant in the right place, reminds Asst. County Agent Elaine Schlosser. Avoid using tall growing evergreens such as pines, hemlocks, spruces, and firs close to the foundation of the building. The same rule applies in the case of tall growing types of shrubs and tree shrubs. He offers these further suggestions.
Prune off injured roots and branches at the time of planting. Remove any cross-cross or interfering branches at planting time.
Firm or tamp plants into the ground and plant at the proper depth. Set more plants, such as evergreens, shrubs, and trees, at least an inch deeper than they stood in the nursery.
When filling in around the plant allow a shallow saucer on the surface to catch water. Never mound around plants. Stake all newly planted trees. Use wire run through discarded rubber hose around the tree trunk to prevent bruising the tree bark.
Water liberally at least once every ten days to two weeks after planting unless there is sufficient rainfall.
Maintain a mulch of peat moss, well-decomposed hardwood sawdust, buckwheat, cocoa, peanut husks, or coarse-lying ground corn cobs around planting area. Never allow mulching material to come into direct contact with crowns of plants around which it may be placed. Remove faded blooms after flowering.

DRIVE CAREFULLY!

Matter of FACT

Public libraries as they are known today are not more than 100 years old. Great English leaders like William Ewart urged public support of libraries early in the 19th century. An act of the English Parliament permitting the establishment of public libraries was passed in 1850. Since that time growth has been steady until today books and libraries are a basic part of civilization.

THE MARKETS

NEW YORK (AP)—Mild profit taking skimmed the cream from the top of the stock market's surge to record highs early today. Trading was heavy.
Some of the glamour stocks declined as much as 5 points or so as traders took profits.
Most stock were off from fractions to about a point. Scattered gains gave a trend of spotty improvement as trading wore on.
